

# Strathmore Court HOA Motorcycle Guidelines

1. All automobile drivers please be aware of everyone who rides on 2 wheels of any type.
2. Motorcycles may be parked on cement walkways if necessary.
3. Kickstands placed on blacktop during hot weather can dig in causing damage. Please use kickstand plates or park on the cement.
4. Many motorcycles are stored in residents' backyards. Be respectful of your neighbors when bringing your motorcycle into your backyard. Watch carefully for children playing on the common area, landscapers, sprinklers, etc.
5. Motorcycles must, of course, obey all traffic regulations (speed limits, STOP signs, etc.) throughout the community.
6. Motorcycles must be registered and insured.
7. No dirt bikes or quads are allowed anywhere on the common grounds.
